1. How long do you have to complete each Qwiklab?   1 / 1 point

  ○ 20 minutes

  ● 1 hour

  ○ 24 hours

  ○ As long as you need.

  ✓ **Correct**
  Great job! You'll have one hour to complete every lab in this program.

2. True or false: It can take some time for the labs to load once you click "start lab."   1 / 1 point

  ● True

  ○ False

  ✓ **Correct**
  Yep! The labs can take some time to load. You can use this time to review the lab instructions.

3. True or false: It can take some time for the working instance of Linux and Windows OS to load.   1 / 1 point

  ● True

  ○ False

  ✓ **Correct**
  That's exactly right! We're loading a working instance of the OS for you. Each time you open the OS, we'll need to download some key software for you, which can take some time.

4. What do you need to do to finish a lab and have your grade posted to Coursera?   1 / 1 point

  ○ Close all lab windows

  ○ Refresh the Coursera course page

  ● Click the red "End Lab" button

  ✓ **Correct**
  Excellent! Once you click the red "End Lab" button, your grade will post to Coursera.

5. True or false: You are able to access your work once you click the "End Lab" button.   1 / 1 point

  ○ True

  ● False

  ✓ **Correct**
  You got it! Once you click "End Lab," you won't be able to access your work.
